ORDER EXTENDING DEADLINE TO FILE CONSOLIDATED REPORT

THIS MATTER is before the Court on the United States Motion to Extend Deadline for Filing Consolidated Report Concerning Pending Petitions. (Doc. 618). The United States requests a two-month extension to file the Consolidated Report that the Court previously granted the United States leave to file on or before June 15, 2015. (Doc. 589). Given the nature of the request, an immediate decision of the Court is appropriate.

The Court finds that good cause exists to allow the United States to proceed in the manner requested because a single Consolidated Report will enable the parties, as well as the Court, to navigate these third-party ancillary proceedings most efficiently. In addition, extending the deadline for filing the Consolidated Report will afford potential petitioners identified in the Motion with adequate time within which to file petitions before the report is filed.

IT IS HEREBY ORDERED that the United States' Motion to Extend Deadline for Filing Consolidated Report Concerning Pending Petitions is **GRANTED**. Accordingly, the United States shall file its Consolidated Report **on or before August 15, 2015.**

Signed: June 5, 2015

Richard L. Voorhees
United States District Judge
